Re: District welcome to US Squash

Dear Mal Owen and the Arizona Squash Racquets Association (AZRA),

On behalf of US Squash, it is my great pleasure to welcome you as the newest district in our national network. Your inclusion marks a significant and exciting step forward in our shared mission to grow and support the sport of squash across the United States.

Arizona has a rich and passionate squash community, and we are thrilled to officially recognize the Arizona Squash Racquets Association as a district partner. Under your leadership, Mal, we are confident that AZRA will bring energy, innovation, and a strong commitment to expanding access and opportunities for players of all ages and skill levels.

As part of US Squash, you'll have access to a wide range of resources, support, and collaborative opportunities—from hosting sanctioned events and developing junior programs to advancing community engagement and facility growth. We look forward to working closely with you to elevate squash in Arizona and beyond.

Welcome to the US Squash family. We're excited for what lies ahead!

Warm regards,
